## PROFESSIONAL SUMMARY

Frontend Developer with 2.5 years of experience at Amico Software Solutions (Aug 2022 – Present), specializing in Angular. Skilled in building responsive, user-focused web applications and optimizing performance. Recently completed a MERN Stack course on GUVI, expanding expertise into full-stack development.

## WORK EXPERIENCES

### FRONTEND DEVELOPER  📍 Nagercoil
Amico Software Solutions (2022 - Present)

- Built and maintained responsive web apps with Angular, HTML, CSS, and JavaScript.
- Worked with UI/UX teams to develop user-friendly and accessible web interfaces.
- Integrated RESTful APIs to render dynamic data and enhance application interactivity.
- Developed reusable Angular components and improved performance through lazy loading and clean code practices.
